Dear Gladys,

At long last here they are. I couldn't get a color reproduction, so had it done in black & white, color them by hand in my "spare" time.

I had a restful vacation with Sam & husband in Chicago. Too hot to go anywhere except the day and spent with Ruth. It was hot then, too, but that didn't stop me

yacking, all four  
going at once. Hazel  
Egelman was with  
us.

Have another letter  
from our Swiss  
cousins with recent  
snapshots of their  
families and Great Grand-  
father David's birthplace.  
You will see them in  
the course of time.

Thank you for your  
contribution. It was so  
good to see you & "Jake."  
Kindest regards F.H.
